MFAU	30 - 55"	±5°	1.1 - 1.6 m	600 x 400 mm	56.7 kg

\* Distance from floor to center of display

# FREESTANDING VIDEO WALLS

Chief's Fusion® Series freestanding video walls provide a fresh solution for showcasing displays anywhere you want them. The LVM mounts make it possible to construct video walls in prominent locations for temporary situations. LBM mounts are bolt-down solutions for permanent video wall installations. Combine multiple mounts to achieve video walls up to three displays high and any length.
